0 - Ocho Rio

## Property Description

Villa Malatai on the Beach, also known as VL MAL, is a 6-bedroom villa located in Ocho Rios. A small lane and electronic gate leads to this new, oceanfront villa.

Stately lions, Koi fish, and lily ponds grace the covered entrance. With textures of gleaming Jotoba wood, Italian tile, Jerusalem stone, marble, and granite, interior spaces open to a 3,300-sq.-ft. beach. The overall property consists of the spacious main villa, a separate air-conditioned fitness cottage, a large lawn with shaded sitting areas, and a teak deck with barbecue.

From the state-of-the-art tile, stainless steel and granite kitchen, meals are served in the indoor dining room and on the outdoor veranda. The air-conditioned family and computer room has high-speed Internet access, a fax machine, and a 36-inch flat screen TV. A sound system connects to speakers throughout the lower level and pool area.

Each air-conditioned bedroom has a flat screen TV and ensuite bathroom. Two bedrooms have 4-poster king-size beds, while 3 bedrooms are furnished with 2 queen-size beds in each room. The children's room has 3 bunk beds (equal to 6 twin-size beds), an ensuite bathroom with a tub and shower, and opens to a balcony, which can be locked.

The free-form pool includes a shallow children's section, which is separated from the deeper pool by an underwater partition. Beyond the lawn are the beach and complimentary kayaks with life vests. This villa, which has a handicap access, also comes with an automatic generator, intercoms, fitness equipment, a ping-pong table (lit for night matches), snorkeling gear, boogie boards, a tennis court, and WiFi.

Villa Malatai on the Beach, or VL MAL, comes with house cleaning services. During the Thanksgiving and December holidays, the villa rents at full occupancy rates regardless of how many bedrooms are used.
